**RESPONSE TO RESTRICTION REQUIREMENT AND
APPLICANT'S INTERVIEW SUMMARY RECORD**

Sir:

In response to the Notice of Allowance, applicants hereby elect, without traverse, the invention defined by claims 1-9 and 37-55 in response to the restriction requirement provided in the Notice of Allowability dated June 1, 2004.

On May 18, 2004, applicants attorney, Roger A. Heppermann, discussed this case with Examiner Raymond. During this telephonic interview, claims 1-55 were discussed. The examiner noted that he was entering a restriction requirement and applicant provisionally elected claims 1-9 and 37-55 for further prosecution. Still further, applicant agreed with the examiner's amendment provided in the Notice of Allowance in which claims 10-36 were canceled and claim 37 was amended.

Respectfully submitted,

By:
